

STRATEGIC DIGITAL TRANSFORMATION PROPOSAL

Unlocking the Next Chapter for DC Sewing Machines

A Digital Revenue-Share Joint Venture Partnership

PREPARED BY: Remote Digital Expert

PREPARED FOR: The Business Owner of DC Sewing Machines

LOCATION: 1774 Pershore Rd, Birmingham, B30 3BG | DATE: July 2026

The Partnership: Decoupling Assets

- You own two highly valuable assets: a prime piece of Birmingham real estate and a recognized brand name.
- Our remote partnership manages the digital storefront, dropshipping, and marketing campaigns.
- You maintain complete ownership of your physical property and local workshop.
- No rent, no overhead liabilities, and no remote operational costs for you to cover.

Decoupled Asset Profile

PHYSICAL PROPERTY

- 1774 Pershore Rd, B30 3BG
- Ground floor workshop
- Upper tenanted 2-bed apartment

DIGITAL PLATFORM

- dcsewingmachines.com brand
- Dropship e-commerce engine
- Automated lead booking software
- Nationwide mobile repair network

"We run the technology remotely; you keep your workshop and building. A true risk-free partnership."

The Workshop: Focus on Craft

- Close the storefront counter to walk-in retail shoppers to eliminate daily retail stress.
- The ground floor remains your private, quiet workshop hub for machinery service.
- Customers book repairs online and drop off machines in a secure lobby locker, sending jobs straight to your bench.
- Eliminates the time spent managing loose haberdashery inventory and stock shelves.

Workshop Layout

FRONT LOBBY

- Closed to retail walk-ins
- Fitted with secure drop-off lockers
- Digital customer drop-off code

REAR WORKSHOP

- Restructured as a quiet workshop
- Dedicated machinery bench workspace
- Free of customer counter demands

"No more standing behind a retail counter. Focus 100% on repairs and servicing on your own terms."

The E-Commerce: Remote Revenue Share

- We rebuild and manage the e-commerce store remotely, routing machine orders directly to UK distributors.
- Spare parts are packaged into high-margin kits managed by a 3rd-party logistics warehouse.
- We split online net profits 50/50, generating passive income from your brand.
- We manage marketing, Stripe payment setups, and dropship tracking interfaces.

JV Profit Allocation

DIGITAL PRODUCTS & SHIPPED SALES

- 50% Owner Share of Net Profits
- 50% Digital Expert Share

REPAIR LEADS SYSTEM

- 70% of lead fee to Workshop / Tech
- 30% Booking Lead Gen Fee to platform

LIABILITY LIMITS

- Owner pays £0 for remote operations
- Expert pays £0 for workshop costs

"Your website makes sales and handles fulfilment automatically, sending half the profits straight to you."

Digital Asset Launch Schedule

- Days 1-30 (Audit & Digitise): Convert your best-selling physical pattern sheets into print-at-home digital PDFs.
- Days 31-60 (Filming & Integration): Film high-yield repair masterclasses at the workbench during advisory hours and load them onto Stan Store/Shopify.
- Days 61-90 (Pre-sales & Community): Launch pre-sales for the recurring monthly digital community (The Pershore Club).
- Digital products build 100% profit margins, boosting future brand valuation.

90-Day Digital Launch

MONTH 1

- Digitize top 10 sewing patterns
- Outline stitch troubleshooting courses

MONTH 2

- Record workbench video modules
- Upload assets to Shopify/Stan Store

MONTH 3

- Launch Club community pre-sales
- Open Digital Academy section online

"Create high-margin digital products once, sell them forever at 100% profit margin."

The 6-Hour Technical Director Role

- No more exhausting 8-hour days running a shop counter.
- Act as 'Technical Director': guide junior technicians and consult on complex repairs.
- Contribute your technical insights to train our online support assistant, preserving your expertise.
- Your advisory time is limited to a maximum of 6 hours per week, completely on your schedule.

Advisory Breakdown

WEEKLY ADVISORY (6 HRS MAX)

- 2 Hours: Online/Phone diagnostics
- 2 Hours: Junior associate mentoring
- 2 Hours: Mobile technician QA check

EXEMPTIONS FROM MANUAL LABOR

- No customer greeting duties
- No lifting heavy stock (>10kg)
- No shelf restocking requirements

"We want your engineering expertise, not your physical labor. Work on your schedule, up to 6 hours a week."

The Roadmap & Property Exit

- Transition (Day 1-90): Sign JV, run clearance sale, digitize patterns, record workbench video courses, and launch Shopify/Stan Store.
- Stabilization (Day 91-180): Prove digital volume and document property yields (commercial + upper flat).
- Eventual Property Sale (Scenario A): Workshop signs a leaseback to guarantee a turnkey commercial yield for buyers.
- Eventual Property Sale (Scenario B): Wind down workshop & pivot 100% to our remote mobile tech network (zero physical footprint).

Property Sale Exit Paths

SCENARIO A: TURNKEY LEASEBACK

- Converted workshop signs lease
- Attracts investor with occupied yield
- Owner sells real estate at top-market

SCENARIO B: MOBILE PIVOT

- Workshop wound down at property sale
- Leads routed to mobile tech network
- Zero physical workshop overhead
- Digital business remains 100% active

"A clear transition roadmap that supports your lifestyle now, while maximizing your property sale value later."
