

STRATEGIC DIGITAL TRANSFORMATION PROPOSAL

Unlocking the Next Chapter for DC Sewing Machines

A Digital Revenue-Share Joint Venture Partnership

PREPARED BY: Remote Digital Expert

PREPARED FOR: The Business Owner of DC Sewing Machines

LOCATION: 1774 Pershore Rd, Birmingham, B30 3BG | DATE: July 2026

The Partnership: Decoupling Assets

- You own two highly valuable assets: a prime piece of Birmingham real estate and a recognized brand name.
- Our remote partnership manages the digital storefront, dropshipping, and marketing campaigns.
- You maintain complete ownership of your physical property and local workshop.
- There is no rent to pay, but operational funds and access to suppliers will be made available to carry out some of the work.

Decoupled Asset Profile

PHYSICAL PROPERTY

- 1774 Pershore Rd, B30 3BG
- Ground floor workshop
- Upper tenanted 2-bed apartment

DIGITAL PLATFORM

- dcsewingmachines.com brand
- Dropship e-commerce engine
- Automated lead booking software
- Nationwide mobile repair network

"No rent to pay, with full supplier access and operational funding provided to drive the business."

The Repair Network: 100% Hands-Off

- Customers to book repairs and servicing online via our automated scheduling assistant.
- All servicing, mechanical repairs, and maintenance are carried out by certified 3rd-party vendors.
- You collect an agreed referral fee for every lead generated, with zero bench labor required from you.

Hands-Off Referrals

- Customer books repairs online
- Dispatch to certified 3rd-party vendor
- Vendor executes parts & labor

REVENUE GENERATION

- JV entity collects referral fee
- Split determined entirely by Owner

"Repairs are dispatched directly to trusted 3rd-party engineers. You collect a referral fee, while remaining 100% hands-off."

The E-Commerce: Remote Revenue Share

- We rebuild and manage the e-commerce store remotely, routing machine orders directly to UK distributors.
- Spare parts are packaged into high-margin kits managed by a 3rd-party logistics warehouse.
- We split online net profits 50/50, generating passive income from your brand.
- We manage marketing, Stripe payment setups, and dropship tracking interfaces.

JV Profit Allocation

DIGITAL PRODUCTS & SHIPPED SALES

- 50% Owner Share of Net Profits
- 50% Digital Expert Share

REPAIR LEADS SYSTEM

- Lion's share of lead fee to mobile tech
- Platform booking lead commission
- (Exact split percentages decided by Owner)

LIABILITY LIMITS

- Owner pays £0 for remote operations
- Expert pays £0 for workshop costs

"Your website makes sales and handles fulfilment automatically, splitting the profits 50/50."

Digital Asset Launch Schedule

- Days 1-30 (Audit & Digitise): Convert your best-selling physical pattern sheets into print-at-home digital PDFs.
- Days 31-60 (Technical Archiving): Index mechanical guides, manuals, and troubleshooting paths to seed our AI assistant database.
- Days 61-90 (Pre-sales & Community): Launch pre-sales for the recurring monthly digital community (The Pershore Club).
- Digital products build 100% profit margins, boosting future brand valuation.

90-Day Digital Launch

MONTH 1

- Digitize top 10 sewing patterns
- Outline stitch troubleshooting courses

MONTH 2

- Index manuals & support guides
- Seed AI diagnostic engine

MONTH 3

- Launch Club community pre-sales
- Automate referral lead dispatch

"Create high-margin digital products once, sell them forever at 100% profit margin."

The Technical Advisory Role

- Act as 'Technical Advisor': consult on digital content accuracy and platform quality standards.
- Contribute your historical mechanical insights to train our AI support assistant, preserving your expertise.
- Your advisory time is strictly remote and advisory, capped at a maximum of 6 hours per week, completely on your schedule.
- 100% free from manual repair labor, storefront duties, or customer-facing tasks.

Advisory Breakdown

WEEKLY ADVISORY (6 HRS MAX)

- Platform content verification
- AI diagnostic database seeding
- Service quality audits

EXEMPTIONS FROM OPERATIONS

- No manual repair bench work
- No customer counter coverage
- No storefront inventory duties

"We want your decades of mechanical knowledge to guide the platform, not your physical labor. 100% hands-off from bench work."

The Roadmap & Property Exit

- Transition (Day 1-90): Sign JV, run clearance sale, digitize patterns, and launch e-commerce and referral engines.
- Stabilization (Day 91-180): Lease the ground-floor space to commercial tenants and document passive property yields.
- Eventual Property Sale: Sell the real estate at maximum value with active commercial and residential yields, while the remote platform runs unaffected.

Property Sale Exit Paths

TRANSITION STAGE

- Launch automated referral lead engine
- Clear retail storefront inventory

PROPERTY HARVEST

- Ground floor commercial lease
- High-yield turnkey building sale
- Platform continues 100% remotely

"A clear transition roadmap that frees you from daily operations immediately, while maximizing your property exit value."
